

GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
LOK SABHA

UNSTARRED QUESTION NO: 775

ANSWERED ON: 08.08.2013

TRANSPORTATION OF COAL

MURLI MANOHAR JOSHI

ANANT KUMAR HEGDE

VIKRAMBHAI ARJANBHAI MAADAM

Will the Minister of

RAILWAYS

be pleased to state:-

- (a) the details of targets fixed and achieved for transportation of coal on Indian Railways along with earnings therefrom during the last three years and the current year, year-wise;
- (b) the extent by which the said target was less or more than the dispatch target of Coal India Ltd.;
- (c) if so, the details thereof, year-wise;
- (d) the total capacity of the Railways for transportation of coal from ports to power plants and whether the said capacity is adequate to meet the demands for imported coal; and
- (e) the steps taken/being taken by the Railways to enhance their capacity for transportation of coal in the country?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI ADHIR RANJAN CHOWDHURY)

(a) to (e): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF UNSTARRED QUESTION NO. 775 BY DR. MURLI MANOHAR JOSHI, SHRI ANANTKUMAR HEDGE AND SHRI AHIR VIKRAMBHAI ARJANBHAI MAADAM TO BE ANSWERED IN LOK SABHA ON 08.08.2013 REGARDING TRANSPORTATION OF COAL.

(a): The details of targets fixed and achieved for transportation of coal on Indian Railways along with earnings therefrom during the last three years and the current year upto June 2013 are as follows:

Year	Budget target in million tonnes	Loading achieved in million tonnes	Earnings (Rs. in crore)
2010-11	426.27	420.21	24029.81
2011-12	458	455.80	28589.00
2012-13	485	496.37	36792.91
2013-14	126.13	129.09	10235.66

(upto June.'13)

(b) & (c): The details of dispatch target of Coal India Limited(CIL) and loading achieved in rakes/day during the last three years are as under:-

Year	Despatch target of CIL	Rakes/day Loading
2010-11	185	161.8
2011-12	185	167.7
2012-13	189.8	186.2

(d): The capacity for evacuation of coal from Ports to Power Houses is dependent on the loading /unloading infrastructure at the Ports and Power Houses in addition to the sectional capacity of various sections on Indian Railways. The total loading of coal from Ports was 64.47 rakes/ day during 2012-13 and 81.64 rakes/day in 2013-14 up to June 2013. Out of this, the despatch to Power Houses was 25.92 rakes/day and 34.48 rakes/day respectively. Railways have been able to meet the demand of power sector for imported coal in full.

(e): Rail connectivity for enhancing coal transportation is an ongoing activity on Indian Railways. Ministry of Railways in consultation with Ministry of Power and Ministry of Coal has jointly identified the critical coal connectivity projects for swift evacuation and transportation of coal during 12th five year plan period and beyond. An inter-ministerial committee has been constituted to monitor these key connectivity projects.
